All applications are due **March 31, 2018.**

Dear Applicant,

Thank you for your interest in our scholarship program! This letter will help you understand what the FDES Scholarship committee requires of our scholarship recipients.

The two-page application form is to be completed by you alone. Please give us as complete a picture of you as you are able. You may print the form, fill it out, and mail it to us at the above address, or you may open the interactive PDF, fill it out and sign it electronically, and email the PDF back to us (after saving and renaming it as a new, "signed" file). The deadline is March 31.

No applications will be accepted after the deadline, nor will any applications be considered if the requested supporting documents are not on file. The following requirements must be met.

1. You must be a graduating senior of Portuguese descent, a citizen or permanent resident of the U. S., and actively involved with the FDES Monterey.
2. Your parents must be members in good standing of the FDES of Monterey for three years prior to the student's graduation.
3. You must have maintained a minimum 3.0 grade point average in high school, and must submit a transcript of grades earned up to the time of application.
4. You must present three letters of recommendation from individuals who will vouch for your academic standing, character, and personality. One of these letters should be from your school's Principal, Dean, or Counselor, who should verify your participation in extracurricular activities. Another letter should be from a Teacher at your high school. The third letter may be from any source except a relative. Please instruct individuals writing letters to include their title or position and organization.
5. You must write a personal essay, in which you detail your Portuguese lineage as completely as you can. We are especially interested in what your Portuguese heritage or culture means to you, but you may also write about any topic you like. Two typewritten pages are an acceptable length, but feel free to write more.

Again, thank you for your interest. Please use the above email address should you have questions about the application process. Good luck with your educational journey!
